## Spree with Me – Style Quiz

## Personal Style Quiz

## Welcome!

This short quiz helps uncover your authentic style – based on what you like, how you see yourself, as well as how you want to feel and how you want to be seen. Choose what feels most like you or what you'd ideally like your style to be (within a timeframe of this year). Don't overthink it – just choose what feels right.

Outcomes of this Style Squiz will result in your style archetype. There are 155 possible combinations — and so many possibilities. Style is deeply personal, and this is a great first step to articulating yours.

Q1. What's your preference for jewellery?
$\square$ Pretty pieces that are dainty, sparkly, or include diamonds or pearls
$\square$ Chunky earrings or bold statement necklaces and/or bangles
$\square$ A quality matching set – necklace, bracelet, earrings in gold or silver
□ Minimal – a simple watch, a meaningful ring or chain
$\square$ Chunky, metal, unconventional shapes or even a little shock value
$\square$ Anything unique from my travels, handmade artisan styles or vintage
Q2. Which colours do you wear most often?
$\square$ Mostly black, charcoal, or dark tones
$\square$ Soft pastels or even something shiny
☐ Crisp neutrals like black and white
□ Anything that's bright or vibrant — ideally block colour
